Annual Report 2020-2021

Empower • Enrich • Educate

Dear Friends,

This past August, Mercy Center entered a new chapter as Sister Carol Ann Henry retired after 39 years of extraordinary service to the Asbury Park community. We will continue to be guided by her vision and the mission of the Sisters of Mercy.

As I learn more about Mercy Center, I am struck by the kindness and generosity of those who support our mission, particularly throughout the duration of this pandemic. As public funding for our neighbors begin to wane, we are preparing to be busier than ever. Mercy Center is equipped to distribute groceries, deliver emergency financial aid, address increased mental health issues and offer an education of excellence to those in need. We will be here for the most vulnerable among us as we navigate changes and challenges.

While the past year forced us to operate differently, our Emergency Services provided food and assistance as requested. The Family Resource Center adapted its model to offer more virtual and individual counseling. Tuition for all Sisters Academy students was waived. The school opened in September 2020 for face-to-face learning and successfully remained that way all year. Your belief in our work made all of this possible.

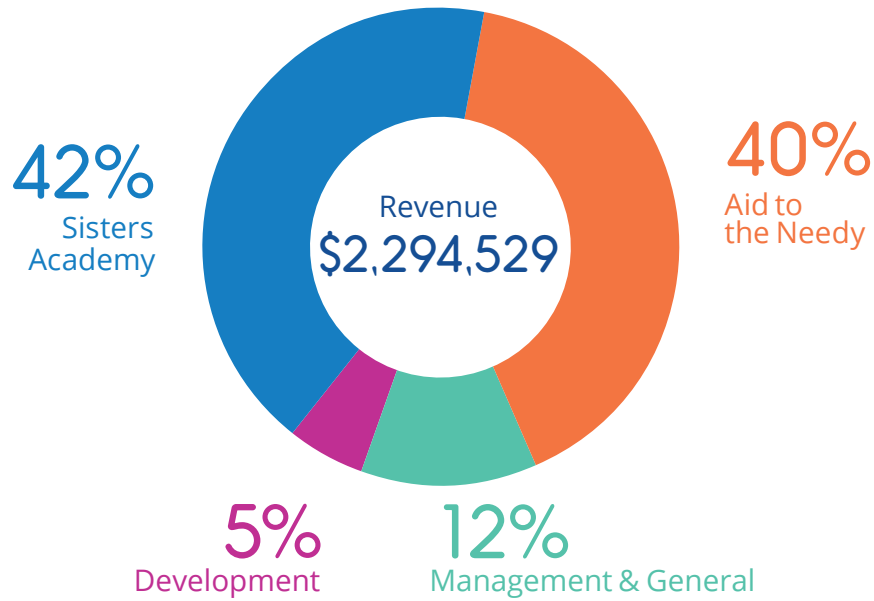

I am looking optimistically to the future as we begin to leave behind the darkness of the COVID-19 pandemic. In the year ahead, please look for our plans to continue to help our neighbors in need. I ask that you continue to walk with us on this journey.

Warmest regards,

Kim Guadagno
Executive Director
