

Profiles in Mercy: Mercy Center Board of Trustees

This month, we honor our Mercy Center Board of Trustees. Not only do they participate in Board meetings but also serve on various committees. Additionally, several members serve as volunteer tutors, teacher assistants, gardeners, and judges for our various programs at Sisters Academy. Many also assist with food distribution at our food pantry and help with planning our major events.

We thank them for their guidance and passion in this mission of mercy. Our Board of Trustees are our co-ministers as we *Empower, Educate* and *Enrich* people we serve.
