

Founder's Partners: Mary Jane & Rick Kroon

Rick and I are giving our donation in honor of Sister Carol for her extraordinary achievement in establishing Mercy Center and Sisters Academy and in helping the Asbury Park community. She is truly inspiring. We have been especially committed to supporting the school. I have met several teachers and am greatly impressed with their dedication and enthusiasm. I also attended some of the annual Miller Speaking Competitions where the girls presented their memorized speeches. The girls were amazing with their confidence and poise. The school has a 100% graduation rate to local public and private high schools and helps to secure scholarships as well. The staff is doing a remarkable job in preparing the girls for future success in their education. Rick and I are happy to support the Academy and the services of Mercy Center in this important mission. We hope you will make a donation to the Founder's Campaign as a tribute to Sister Carol and her incredible life of service.
